**PIPER-HEIDSIECK**

**2013 Latest Awards**

Régis Camus, received the **Sparkling Winemaker of the Year Trophy** at IWC UK for the 8th time. Trophies placing him as this year's - if not this century's - most remarkable winemaker within all sparkling wine makers.

Piper-Heidsieck Rare Vintage 1998 received the **Sparkling Wine Trophy** for the second time running, hence confirming Régis' know-how and talent, and his intuition for Piper-Heidsieck.

«The new owner, **Christopher Descours's** strategy is starting to pay off : throughout the House's range, and notably on the non-vintage brut, Piper today has an elegant and comfortable style, playing with rather generous dosages that reveal the quality of the blends rather than hiding them. And Rare is one of the most beautiful prestige cuvée currently available on the market.»

BETTANE & DESSEAUVE

Piper-Heidsieck  
Brut Non Vintage

16/20

Onctuous and full of fruit, far from the platitude of this cuvée a few years ago. Comfortable champagne, all the while fine, aërian, frankly brilliant.

Bettane & Desseauve

Piper-Heidsieck Rare  
Millésime 2002

18/20

Beautiful wine, onctuous and very refined, with a subtle length and a fine and noble bouquet.

Great elegance.

Bettane & Desseauve

Piper-Heidsieck  
Rosé Sauvage

16/20

Very colourful, powerful, intense, at the exact opposite of most of the champagne rosés, but a success.
